COMPLETE SOLUTIONS FOR YOUR HOME AND BUILDING

## معرض البيت والبناء HOME & BUILDING EXPO

### Event Overview

The **HOME AND BUILDING EXPO** – Complete Solutions Under One Roof for Your Home and Building, co-located with **URBAN OCTOBER**, was held from 06-08 October 2025 and Urban October was held from 06-09 October 2025, at the Oman Convention and Exhibition Centre, Muscat.

The Event was supported by **Ministry of Housing and Urban Planning, Ministry of Commerce, Industry and Investment Promotion, Oman Vision 2040 and Muscat Municipality**, Sultanate of Oman.

The Expo showcased the most comprehensive range of innovative products, services, solutions and the entire supply chain under one roof by local and international participants to trade visitors, potential buyers, policy makers, government officials, C-Level executives, business leaders, leading industry experts, top-tier public visitors and key decision makers from the region and beyond, making it a definitive power packed networking platform, where new projects and partnerships are initiated and visionary objectives were implemented.

The Event was a great knowledge sharing platform which promoted innovation in the Construction & infrastructure sector wherein exhibitors from around the world showcased their potential by providing detailed demonstrations of latest products and services within industry segmented pavilions, curated by seasoned professionals from the fraternity.

The Home and Building Expo & Urban October was inaugurated by His Excellency Sheikh Al-Fadl bin Mohammed bin Ahmed Al-Harhi, Secretary General of the Council of Ministers of Oman.

A section displaying products for workplace, offices, commercial complexes, malls, airports, hotel and resorts, hospitals and museums will present the opportunity for key decision makers from multinational firms, government bodies, small and medium enterprises to generate ideas and find workplace solutions in a focused business environment.

The expo features multiple product segments like smart home solutions, outdoor living, pools and gardens.

## Home and Building Exhibition 2025 to be held under theme of sustainable cities

Our Correspondent  
Muscat

Ministry of Housing and Urban Planning has announced that Home and Building Exhibition 2025 will be held from October 6 to 9 at Oman Convention and Exhibition Centre.

Organised under the theme 'Sustainable Cities for Humanity', the exhibition is part of the sixth edition of Urban October, a national initiative promoting sustainable urban development across the sultanate.

This year's edition is set to be one of the largest yet, with more than 226 booths, 70 academic and technical papers, and 48 side events planned across Oman. Six major urban development projects will be showcased, including Sultan Haitham City, Salalah Future City, Al Thuraya City, Al Jabal al Aali Project and the Al Khuwair Muscat Downtown and Waterfront Development.

The exhibition will also spotlight flagship initiatives of the ministry, such as structural plans, the Building Requirements Guide, social housing schemes, the National Addressing System, and key digital transformation projects.

Alongside policy discussions, the event will offer a unique platform for real estate investment. Thirty developers will showcase their projects - including those in Sultan Haitham City and Scrouh

developments - while six banks and financial institutions will present financing solutions to encourage home ownership and investment.

High-level forums such as the Sustainable Urbanism Forum and Circular Cities Summit will feature experts from Oman and abroad. The fifth edition of the Makers of Tomorrow Urban Planning Hackathon will provide a platform for innovative solutions to real-world urban challenges.

Visitors can also explore smart home technologies, interior design, modern building materials and interactive experiences such as the Urban Puzzle initiative and youth-focused Urban Planning Debates.

Additionally, the exhibition will feature attractive prizes, including luxury cars, cash rewards and residential apartments, offered by participating developers.

# RO700mn worth of new cities, housing investments unveiled

Home and Building Expo sees major pacts to develop Sultan Haitham, Al Thuraya and Al Jabal Al A'ali projects

Our Correspondent  
Muscat

The fifth edition of the Home and Building Expo, themed 'Sustainable Cities for People', opened on Monday at the Oman Convention and Exhibition Centre. Organised by the Ministry of Housing and Urban Planning in cooperation with Expo Muscat, the three-day event was inaugurated under the patronage of Sheikh Al Fadhl bin Mohammed al Harthy, Secretary General of the Council of Ministers.

The event brought together developers, investors, and urban planners from Oman and abroad to discuss sustainable urban development and launch new investment projects. The opening ceremony also saw the release of Oman's Building Requirements and Specifications Guide, aimed at standardising construction and safety standards across all governorates.

## Agreements for future cities

During the event, the ministry signed seven major partnership and development agreements for new city projects, including Sultan Haitham City and Al Thuraya City in Muscat, and Al Jabal Al A'ali in Dakhliyah. These projects form part of Oman's efforts to accelerate urban development and attract private investment.

## MAJOR INVESTMENTS

### Al Jabal Al A'ali

**RO200mn** health and wellness zone, (Mister Company)

**RO400mn** Al Alalan Hills and golf resort, (Kamcorp Investment, UAE)

**RO30mn** residential neighbourhood (Desert Palm Tourism Projects Company)

### Sultan Haitham City

**RO7mn** sewage treatment plant (Al Sarooj Trading & Contracting)

**RO8mn** main sewage line (ONEIC Company)

### Al Thuraya City

**RO25mn** Neighbourhood 8 (Modon Development Company)

**RO38.2mn** infrastructure works (Target Company)

In Sultan Haitham City, Al Sarooj Trading and Contracting secured a tender worth over RO7mn for a sewage treatment plant, while ONEIC Company was awarded a contract worth over RO8mn to construct the main sewage line from Seeb to the city.

In Al Jabal Al A'ali, several agreements were signed, including a RO200mn health and wellness zone featuring 500 residential units and a 120-room

hotel by Mister Company, a RO400mn Al Alalan Hills project with 2,100 residential units, two 5-star hotels, an 18-hole golf course, an event and festival square among other facilities by UAE-based Kamcorp Investment, and two eco-tourism ventures valued at over RO3mn each. Other projects include a RO30mn residential neighbourhood and a community-led Sorouh initiative to build 200 homes for local residents.

The event also witnessed the signing of a consultancy services agreement for the master plan for the Al Jabal Al A'ali project, with an investment value exceeding RO3.6mn, in cooperation with Nicholson Jones Partnership Oman.

Al Thuraya City will see the development of Neighbourhood 8, worth over RO25mn, alongside a RO38.2mn infrastructure and road works package by Target Company.

Two new integrated residential neighbourhoods were also announced in South Batinah and South Sharqiyah governorates with a combined investment exceeding RO11mn. The Al Mutaqa project in Rustaq and Al Falah project in Ja'alan Bani Bu Ali together will add over 900 housing units.

The ministry also announced 11 new investment opportunities across seven governorates for future residential and mixed-use developments covering more than 2.9mn sqm.

## Building Guide

The newly launched Building Requirements and Specifications Guide consolidates safety, quality and environmental standards under one national framework. Developed with the Permanent Technical Committee for the Guide, it aims to enhance regulatory efficiency, ensure building safety, and promote sustainable and cost-effective construction practices. The guide is part of a broader framework of six specialised manuals, covering historical buildings, energy efficiency, mechanical and plumbing systems, and sustainability.

The expo also featured the signing of over 32 usufruct agreements across industrial, agricultural and livestock sectors, valued at more than RO8.2mn and covering over 7mn sqm. These include contracts for entrepreneurs and SMEs, underlining the government's commitment to diversifying investment and supporting local enterprises.

An agreement worth RO1.3mn was also signed to implement a unified national addressing system to install street and building signage across all governorates.

# Sohar International a strategic partner at Home & Building expo

Driving innovation and advancing the nation's sustainable development agenda, Sohar International served as a strategic partner of the Home and Building Expo 2025, held from October 6-8 at the Oman Convention and Exhibition Centre under the theme 'Sustainable Cities for People'.

Aligned with the objectives of Oman Vision 2040, this partnership underscores the bank's commitment to supporting initiatives that promote innovation, sustainability, and economic diversification, a press release said.

The Home and Building Expo 2025, organised by the Ministry of Housing and Urban Planning in cooperation with Expo Muscat, was inaugurated under the patronage of H E Sheikh Al Fadhl bin Mohammed al Harthy, Secretary General of the Council of Ministers. Representing Sohar International at the official launch, Khalil Salim al Hedaifi, Chief Government and Private Banking Officer, highlighted the bank's steadfast commitment to supporting Oman's national development agenda.

"The Home & Building Expo plays a pivotal role in advancing Oman's urban development, fostering innovation in the real estate sector, and creating opportunities for sustainable

economic growth. Our strategic partnership with the Expo exemplifies Sohar International's commitment to supporting this national agenda. By connecting industry leaders, investors, and policymakers, we aim to accelerate the creation of resilient urban communities and innovative real estate projects that deliver long-term social and economic value. Initiatives like this empower businesses, attract international investment, and contribute meaningfully to the realization of Oman Vision 2040," Hedaifi said.

The Expo served as a vital platform bringing together industry leaders, developers, in-

vestors, and policymakers to exchange insights and explore forward-looking solutions in the realms of real estate, architecture, and infrastructure development. As a comprehensive one-stop destination, the expo enabled participants to source end-to-end solutions — from concept to completion — fostering collaboration and accelerating the development of smart, sustainable, and people-centric urban environments across the sultanate.

As part of its participation, Sohar International hosted a dedicated stall at the Expo, offering a range of financial products and services.
